Mrs. Lester Shorey
Le Claire, Iowa

Dear Mrs. Shorey:

Today we have received from the Le Claire station of the Scott County Library a registration card for your child Jackie. He has already been registered as a borrower at the library. When you lived at McCausland the children were all registered - at least Jackie, Gerald, and Karen were. That was in June of 1950 when the bookmobile first began coming to McCausland. Registrations are good for three years, so theirs do not expire until June 1953. If they have lost their borrower's cards, we will replace them - they will be at the Le Claire station.

However, before any of the children may borrow any more books from the library they must return the ones they borrowed at McCausland in June, 1950, from the bookmobile. If they have been lost, they will have to be paid for. If they are returned at once to the station at Le Claire, we will not charge a fine for them this time. The books are listed below, together with the price of each, the date due.

Yours very truly,

Elizabeth B. Hage
Librarian
